

What is a School-Parent Compact?

A School-Parent Compact is a jointly developed agreement with parents. The compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how they will work together as partners.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop skills using high-quality instruction
- Share strategies that parents can do at home
- Explain how teachers and parents will communicate about student progress

Activities to Build Partnerships

- Open House
- Curriculum Night
- Title I Meeting
- Parent Workshops
- Parent-Teacher Conferences
- Title I Math Night

Pike County Primary School

School-Parent Compact

2023-2024

Revised 5/17/24

Our motto at
Pike County Primary School
is

Students at Pike Primary are
responsible, independent,
motivated, achievers, ready
for life's journey...
Sailing for Success!

***Pike County Primary School

Zebulon, Ga 30295
770-567-8443***

Jointly Developed

Together, the parents, students and staff of Pike County Primary developed this School-Parent compact for achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific and students told us what would help them learn. Meetings are held each year in the late summer review the compact and to make changes based on student needs and on school improvement goals. Parents are encouraged to attend and are welcome to contribute comments or suggestions at any time. Parents are also encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding current Title I programs and policies.

If you would like to volunteer, participate, and/or give feedback,
please contact Sheryl Watts by phone at 770-567-8489,

by email at wattss@pike.k12.ga.us

or in person at

16 Jackson Street, Zebulon, Ga, 30295

Communication about Student Learning

Pike County Primary School is committed to frequent two-way communications with families about children's learning. Some of the ways you can access information or contact us are:

- School Website
- Monthly Newsletter
- Parent Link Phone Calls
- Parent-Teacher Conferences
- Facebook
- Teacher Email
- Phone Calls to the School

***Our Goals
for
Student Achievement***

District goal(s)

Increase passing rates in all tested areas by no less than 5% by implementing the process, protocols, and tools to support the Pike County Instructional Blueprint.

Observable literacy best practices will increase as evidenced by literacy walk through data.

School goal(s) and focus areas(s)

Pike County Primary School will improve reading and math performance for students on the 3rd grade Milestones over a three-year period.

Pike County Primary School will increase reading performance on the I-Ready Reading over a three-year period.

Pike County Primary School will increase math performance on the I-Ready Math over a three-year period.

**Teachers, Parents, and Students
Together for Success**

Teacher/School Responsibilities:

- Provide a monthly newsletter with resources
- Have parent-teacher conferences throughout the year to share student progress
- Send questions home that support students' achievement of the Reading (Literacy, Informational, and Foundational) GA Standards of Excellence
- Send home books in the student's Lexile band
- Provide resources to parents based on the student's I-Ready and Acadience reading and math data

Family Responsibilities:

- Use resources from the monthly newsletter to help support student achievement at home
- Attend parent-teacher conferences to receive resources to help your child
- Use the questions sent home that support students' achievement of the Reading (Literacy, Informational, and Foundational) GA Standards of Excellence
- Read to or with your child using books within your child's Lexile band
- Use the resources provided to work with your student on skills noted from the I-Ready and Acadience reading and math data

Student Responsibilities

- Take home monthly newsletters and use the resources with my family
- Encourage my family to attend parent-teacher conferences
- Use the reading questions and activities with my family
- Use I-Ready reading and math resources at home with my family
- Read to or with my family using books within my Lexile band
